

## **Bayshore Lunch Program**

We sponsored our first Bayshore Lunch Program on December 10. A group of seven members, directed by Kathy Logan- 2nd Vice President- prepared and served a lunch of meatball sandwiches and salad. The program provided the drinks and desserts. We served approximately 60 people from the Bayshore area- from children to seniors.

***It was a huge success and the volunteers enjoyed the day.***

It takes about three to four hours to complete the day.

We would love to have more members volunteer and take one day a month to help this wonderful project. We are sponsoring lunch again on January 29. The cost is approximately \$100 per lunch. Any donations would be greatly appreciated. Any questions or to get on the volunteer list- e-mail ***Kathy Logan -- lathy0731@aolcom***
